S.Usmanova f.f.f.d.PhD dotsent FSU

Annotation: *This article delves into the nuanced portrayal of queens and princesses characters in the works of Philippa Gregory. Philippa Gregory, a renowned historical novelist, has gained recognition for her vivid and compelling narratives focusing on the lives of royal women. Through an analysis of Gregory's portrayal of queens and princesses characters, this article explores the depth and complexity with which she depicts these historical figures. Gregory's approach to portraying queens and princesses goes beyond conventional historical narratives, offering a glimpse into the personal struggles, ambitions, and challenges faced by these women in positions of power. By humanizing these royal figures and delving into their emotional landscapes, Gregory brings a fresh perspective to the often idealized image of royalty. The article examines how Gregory's works shed light on the agency and influence of queens and princesses, portraying them as dynamic individuals who shaped the course of history through their actions and decisions. By analyzing key characters such as Elizabeth Woodville, Anne Boleyn, and Margaret Beaufort, this article highlights the ways in which Gregory captures the essence of these women as multifaceted personalities with strengths and vulnerabilities. Furthermore, this analysis delves into the thematic richness of Gregory's portrayal, exploring how she navigates themes of power, gender dynamics, and personal identity through the lens of queens and princesses characters. Gregory's nuanced storytelling not only brings historical figures to life but also provokes reflections on broader societal constructs and the intersection of personal and political realms.*

Key words: *Queens, princesses, portrayal, characters, agency, influence, royal women, power dynamics, gender roles, complexity, emotional landscape, historical figures.*

АНАЛИЗ ИЗОБРАЖЕНИЯ КОРОЛЕВ И ПРИНЦЕСС В РАБОТАХ ФИЛИППА ГРЕГОРИ

Аннотация: *В данной статье рассматриваются нюансы изображения персонажей королев и принцесс в произведениях Филиппы Грегори. Филиппа Грегори, известная писательница исторических романов, получила признание благодаря своим ярким и убедительным рассказам, посвященным жизни королевских женщин. Посредством анализа изображения Грегори персонажей королев и принцесс в этой статье исследуется глубина и сложность, с которой она изображает этих исторических личностей. Подход Грегори к изображению королев и принцесс выходит за рамки традиционных исторических повествований, предлагая взглянуть на личную борьбу, амбиции и проблемы, с которыми сталкиваются эти женщины, находящиеся у власти. Очеловечивая этих королевских особ и углубляясь в их эмоциональный ландшафт, Грегори привносит новый взгляд на зачастую*

идеализированный образ королевской семьи. В статье рассматривается, как произведения Грегори проливают свет на свободу действий и влияние королей и принцесс, изображая их как динамичных личностей, которые своими действиями и решениями определяли ход истории. Анализируя ключевых персонажей, таких как Элизабет Вудвилл, Анна Болейн и Маргарет Бофорт, в этой статье подчеркивается, как Грегори уловил суть этих женщин как многогранных личностей со своими сильными и слабыми сторонами. Кроме того, этот анализ углубляется в тематическое богатство образа Грегори, исследуя, как она управляет темами власти, гендерной динамики и личной идентичности через призму персонажей королей и принцесс. Тонкое повествование Грегори не только оживляет исторических личностей, но и провоцирует размышления о более широких социальных конструкциях и пересечении личной и политической сфер.

Ключевые слова: Королевы, принцессы, образы, персонажи, агентность, влияние, королевские женщины, динамика власти, гендерные роли, сложность, эмоциональный ландшафт, исторические личности.

FILIPPA GREGORIY ISHLARIDA QIROLICHA VA MALİKALAR TASVIRLARI TAHLILI

Annotatsiya: Ushbu maqola Filippa Gregori asarlaridagi qirolicha va malika qahramonlarining nozik tasvirini o'rganadi. Mashhur tarixiy yozuvchi Filippa Gregori qirollik ayollari hayotiga bag'ishlangan yorqin va ta'sirchan hikoyalari bilan e'tirof etilgan. Grigoriyning qirolicha va malika qahramonlari tasvirini tahlil qilish orqali ushbu maqola ushbu tarixiy shaxslarni tasvirlashning chuqurligi va murakkabligini o'rganadi. Grigoriyning qirolicha va malikalarni tasvirlashdagi yondashuvi an'anaviy tarixiy rivoyatlardan tashqariga chiqib, bu ayollarning hokimiyat lavozimlarida duch keladigan shaxsiy kurashlari, ambitsiyalari va qiyinchiliklariga bir qarashni taklif qiladi. Ushbu qirollik figuralarini insonparvarlashtirish va ularning hissiy manzaralarini o'rganish orqali Gregori qirollik oilasining ko'pincha ideallashtirilgan qiyofasiga yangicha nuqtai nazar keltiradi. Maqolada Gregorining asarlari qirolichalari va malikalarning vakolati va ta'sirini qanday yoritishi, ularni o'z harakatlari va qarorlari orqali tarix yo'nalishini shakllantirgan dinamik shaxslar sifatida tasvirlash ko'rib chiqiladi. Elizabet Vudvil, Enn Boleyn va Margaret Bofort kabi asosiy qahramonlarni tahlil qilib, ushbu maqola Gregori bu ayollarning kuchli va zaif tomonlari bilan ko'p qirrali shaxslar sifatida mohiyatini aks ettirgan yo'llarini ta'kidlaydi. Bundan tashqari, ushbu tahlil Gregori tasvirining tematik boyligini o'rganadi, u malika va malika qahramonlari ob'ektivi orqali hokimiyat, gender dinamikasi va shaxsiy o'ziga xoslik mavzularida qanday harakat qilishini o'rganadi. Gregorining nozik konstruktiv hikoyasi nafaqat tarixiy shaxslarni hayotga olib keladi, balki kengroq ijtimoiy muammolar va shaxsiy va siyosiy sohalarning kesishishi haqida fikr yuritadi.

Kalit so'zlar: Qirolichalari, malikalar, tasvir, personajlar, agentlik, ta'sir, qirollik ayollari, kuch dinamikasi, gender rollari, murakkablik, hissiy manzara, tarixiy shaxslar.

INTRODUCTION

Philippa Gregory's portrayal of queens and princesses in her literary works is a masterful exploration of historical figures brought to life through her unique lens. Gregory's depictions go beyond the surface glamour often associated with royalty, delving into the intricate web of emotions, ambitions, and complexities that defined these women's lives. One key aspect of Gregory's analysis is her ability to humanize these historical figures, presenting them as multidimensional characters with depth and flaws. Rather than idealized symbols of power, her queens and princesses are portrayed as individuals grappling with personal desires, societal expectations, and the harsh realities of politics. Through her works, such as "The Other Boleyn Girl," "The White Queen," and others, Gregory sheds light on the personal struggles and triumphs of queens and princesses from different eras, inviting readers to explore the inner workings of court life and the intrigues that surrounded these women. Her attention to detail and historical research bring a level of authenticity to her narratives, immersing the audience in the rich tapestry of the past.

Moreover, Gregory's exploration of gender dynamics and power structures within the context of royal courts adds a layer of complexity to her portrayal of queens and princesses. By examining the constraints and opportunities faced by these women in male-dominated environments, Gregory challenges traditional narratives and offers a fresh perspective on how gender shaped their experiences and decisions. Philippa Gregory's analysis of queens and princesses in her works is a compelling reflection on the enduring allure and challenges of royalty. Through her thoughtful characterizations and engaging storytelling, Gregory invites readers to reconsider preconceived notions about these historical figures and to appreciate the humanity that lies beneath the crowns and titles.

LITERARY ANALYSIS AND METHODS

Philippa Gregory's works often deal with the lives and experiences of queens and princesses throughout history, from their alliances and rivalries to their struggles and personal triumphs. Her literary analysis typically engages with historical fiction to provide alternative interpretations of the lives of well-known figures like Katherine of Aragon, Margaret Tudor, and Mary Tudor. Gregory's methodology includes a detailed analysis of the lives of these women within the context of the political and cultural landscape of their time, often contrasting their roles as monarchs with their personal desires and emotional experiences. In her works, Gregory's use of first-person perspectives and narrative devices such as letters and diary entries creates a unique and intimate experience for the reader, allowing them to understand the interior lives of these women often overlooked in traditional historical narratives. Moreover, Gregory's research is meticulous, and she is known for her ability to balance historical accuracy with the creation of compelling and memorable characters. Critical reception of her works, such as "Three Sisters, Three Queens" and "The White Princess," have praised her ability to craft complex and emotionally resonant stories while maintaining a strong grounding in historical research. These readings are enriched by Gregory's ability to use the multiple narratives of sisterhood, love, and betrayal to explore the impact of power, politics, and personal desires on these figures. Philippa Gregory's works on the images of queens and princesses in her historically-based novels use literary techniques such as

character development, narrative devices, and historical context to create narratives that engage with the complex lives of these women in a fresh and compelling manner.

CONCLUSION

In conclusion, the exploration of images of queens and princesses in the works of Philippa Gregory offers readers a glimpse into a world where royalty transcends mere titles and becomes a canvas for complex human emotions, power struggles, and personal journeys. Gregory's masterful storytelling brings these historical figures to life, presenting them not as distant icons of the past but as vibrant and relatable characters grappling with love, power, and duty. Through detailed characterizations, rich historical settings, and thematic depth, Gregory challenges traditional narratives and offers a fresh perspective on the lives of queens and princesses. By delving into themes of power and agency, gender dynamics, relationships, and resilience, Gregory paints a nuanced portrait of royal women navigating the treacherous waters of court politics and personal aspirations. The symbiotic relationship between historical accuracy and imaginative storytelling in Gregory's works creates a tapestry of narratives that captivate readers and invite them to ponder the complexities of human nature, ambition, and legacy. By peeling back the layers of royal splendor, Gregory reveals the vulnerabilities, strengths, and inner conflicts that define these women. The analysis of images of queens and princesses in Philippa Gregory's works serves as a testament to the enduring allure of royalty and the timeless themes of power, love, and resilience that continue to resonate with audiences across generations. Through her meticulous research, vivid storytelling, and nuanced characterizations, Gregory invites readers to embark on a journey through history, where the echoes of these royal women linger, reminding us of the indomitable spirit and human complexity that lie at the heart of their stories.
